1.1 The following terms have the following meanings:

- (a) Intellectual Property: all materials, concepts, know-hows, formulae, inventions, improvements, industrial designs, processes, patterns, machines, manufactures, compositions of matter, compilations of information, patents and patent applications, copyrights, trade secrets, technology, technical information, software, prototypes and specifications, including any right to apply for protections under statutory proceedings available for those purposes, provided they are capable of protection at law;
- (b) Minister: The Minister of Agriculture for the Government of Manitoba, and includes any person authorized to act on the Minister's behalf;
- (c) Program Administrator: Manitoba Agriculture;
- (d) Program Guide: that document called "Program Guide for the Pre-approved Livestock Predation Prevention Equipment and Guardian Dog Rebate Program," as revised, altered or amended from time to time; and
- (e) Program Terms and Conditions: These terms and conditions as revised, altered or amended from time to time.

2 Program Decision Review

- 2.1 The Program Administrator will review the Applicant's Rebate Worksheet and determine whether the Applicant's project meets all program requirements and is approved for program funding.
- 2.2 The Program Administrator will notify the Applicant to advise whether the Applicant's project has met the program conditions for funding or not. It may be decided that only part of a project is approved for program funding, or that only specific eligible expenses are approved for program funding.
- 2.3 If the Applicant commences a project and incurs eligible expenses before the program start date, the Applicant does so at their own risk. A project may not be approved for funding and/or may not be approved to receive all of the funding applied for.
- 2.4 The Program Administrator will establish a process that permits an Applicant to request an internal review of a program decision in specific circumstances. Further details concerning this process may be obtained from the Program Administrator.

3 Payments

- 3.1 Payments will be issued if the Program Administrator determines that the Applicant's project meets all program requirements stated in the Program Guide and the Program Terms and Conditions.
- 3.2 Applicants will be required to submit a Rebate Worksheet, itemized receipts or other acceptable proof of payments, and other documents as specified in the associated Rebate Worksheet, the Program Guide and the Program Terms and Conditions to agriculture@gov.mb.ca.
- 3.3 The Applicant must incur, and have paid, expenses associated with the project before they can be reimbursed in accordance with the timeline(s), the Program Guide and these Program Terms and Conditions.
- 3.4 The calculation of eligible expenses will be based on the actual out-of-pocket cost to the Applicant, less any rebates, discounts, incentives, and credits, whether provided at the time of purchase or a later date.
- 3.5 The Applicant must adhere to the stacking limit. The stacking limit refers to the maximum level of total Canadian government funding (federal, provincial/territorial, and municipal) a successful Applicant can receive towards total approved eligible expenses of a project.
- 3.6 Any payment of funding to be made under the program is subject:
 - (a) to an appropriation of funds by the Parliament of Canada and Legislature of Manitoba in the fiscal year in which the payment is due; and
 - (b) to cancelled or reduced payments if departmental funding levels are changed by the Parliament of Canada or the Legislature of Manitoba.
- 3.7 The Program Administrator does not assume any responsibility for the tax implications of financial support under the program. Any payments made under this program may have income tax implications for the Applicant. The Applicant is advised to consult their tax advisor as to the income tax consequences of participation in the program.
- 3.8 If the Applicant has completed and signed an electronic funds transfer form, all statements made, and all information provided by the Applicant in that form are complete, true, and accurate and the form has been signed by a duly authorized representative of the Applicant.

4 Third Party Contracts

- 4.1 The Applicant shall ensure that all contracts entered into with a subcontractor or any other third party in respect of their project are awarded in a manner that is competitive, fair, transparent and consistent with value for money principles and compliant with all applicable trade agreements and any requirements which may be stipulated by the Program Administrator.

5 Overpayments

- 5.1 The Program Administrator shall be entitled to demand immediate repayment from the Applicant of the amount of any Overpayment and the Applicant shall pay the amount demanded within 30 days of such demand. Any Overpayment which is not paid in full when due shall be deemed to be a debt due and owing by the Applicant to the Government of Manitoba.
